\(^1\) A scanned copy of the signed statement should be uploaded electronically via the Participant Portal Submission Service in PDF format.
\(^3\) This statement (on letterhead paper) shall be signed by the institution’s legal representative and stating his/her name, function, email address and stamp of the institution.
b) carry out the work to be performed, as it will be identified in Annex 1 of the Agreement, taking into consideration the specific role of the principal investigator;

c) enter — before signature of the Agreement — into a ‘supplementary agreement’ with the principal investigator, that specifies the obligation of the applicant legal entity to meet its obligations under the Agreement;

d) provide the principal investigator with a copy of the signed Agreement;

e) guarantee the principal investigator’s scientific independence, in particular for the:
   
   i) use of the budget to achieve the scientific objectives;
   
   ii) authority to publish as senior author and invite as co-authors those who have contributed substantially to the work;
   
   iii) preparation of scientific reports for the project (action);
   
   iv) selection and supervision of the other team members (hosted [and engaged] by the applicant legal entity or other legal entities), in line with the profiles needed to conduct the research and in accordance with the applicant legal entity’s usual management practices;
   
   v) possibility to apply independently for funding;

   vi) access to appropriate space and facilities for conducting the research;

f) provide — during the implementation of the project (action) — research support to the principal investigator and the team members (regarding infrastructure, equipment, access rights, products and other services necessary for conducting the research);

g) support the principal investigator and provide administrative assistance, in particular for the:

   i) general management of the work and his/her team

   ii) scientific reporting, especially ensuring that the team members send their scientific results to the principal investigator;

   iii) financial reporting, especially providing timely and clear financial information;

   iv) application of the applicant legal entity’s usual management practices;

   v) general logistics of the project (action);

   vi) access to the electronic exchange system (see Article 52 of the Agreement);
h) inform the principal investigator immediately (in writing) of any events or circumstances likely to affect the Agreement (see Article 17 of the Agreement);

i) ensure that the principal investigator enjoys adequate:
   i) conditions for annual, sickness and parental leave;
   ii) occupational health and safety standards;
   iii) insurance under the general social security scheme, such as pension rights;

j) allow the transfer of the Agreement to a new beneficiary (‘portability’; see Article 56a of the Agreement).

k) take all measures to implement the principles set out in the Commission Recommendation on the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers⁴ - in particular regarding working conditions, transparent recruitment processes based on merit and career development – and ensure that the principal investigator, researchers and third parties involved in the project (action) are aware of them.
